The Pride

Panhandle Marching Classic

Pace High School, 23 October 2010

THURSDAY – Load Front Ensemble, ladders and props on truck/trailer and move them to the stadium.

Saturday - EAT LUNCH BEFORE YOU COME TO REHEARSAL! YOU WILL NOT HAVE A CHANCE TO EAT A MEAL UNTIL AFTER WE PERFORM. Bring money for the concession stand unless you pre-ordered a \$5 meal deal.

Those students who wish to go to the EHS Homecoming Dance must attend rehearsal that day and ride the bus to Pace with the band. Transportation back to Pensacola for the dance is the responsibility of the individual student/parent. They may be picked up after we perform, once they finish putting away their gear in the parking lot. We need to know ahead of time those who will be leaving, so they are accounted for on the returning bus rosters.

1:30 - Report to band room, get ready for rehearsal. Go to Bowl, warm up, and stretch. Loading Crew and Front Ensemble unload and setup. You should be in practice clothes, with horn and equipment ready.

3:00 pm - Rehearsal over, Loading Crew load front ensemble and props/ladders, then we'll reposition the truck to the bandroom. Others go pack instruments and equipment and take them out the back door (leave the drive way clear so we can pull in the truck). Pick up uniforms, get dressed and hold inspection. Travel uniform: pants, black socks and shoes, current year band shirt, ballcap. Coat, gauntlets are carried inside garment bag. **Guard will wear their costume to travel.**

It is YOUR responsibility to make sure your instrument gets there. Uniforms must be in a garment bag and hung up or LAID FLAT.

3:30 pm – Everyone in seats in the band room. Do not board the bus before told to do so - no one may get on to save seats except loading crew. Load busses by seniority.

4:00 pm - Depart for Pace HS – ENCOURAGE AS MANY PEOPLE TO COME SUPPORT YOU AS POSSIBLE!

5:00 pm - Arrive at Pace HS, get stamped, then unload busses – loading crew report to the truck immediately. All others get fully dressed – if your instrument was on the bus with you, get it out. Last shot at the restroom! We'll line up and move to the Equipment truck together. Pick up helmet and plume. Large horns and battery unpack. Front ensemble load trailer(s) and alternates get the equipment ready to move. Guard will find an area to start stretch and warmup.

6:00 pm- Line up to go to Warm-up. DO NOT PLAY UNTIL ARRIVING AT WARMUP!

6:15 - Warm-up

6:45 - Ready area

7:00 pm – Perform

7:30 – Return to the parking lot, reload and pack all your gear. Change into travel uniform, and you may wear a jacket or coat over it if it is too cool. Seniors going out for retreat should stay in full uniform with helmets/plumes. Hat boxes will be left out until after Retreat. If you are leaving for the homecoming dance, check in with Mrs. Wood before you depart.

We'll line up to return to the stands – if you ordered a meal deal, we will pick it up on the way into the stands. You need to stay in travel uniform and remain in the seating area to watch bands. You can go to the restroom or concessions on your own, but return immediately to the stands to watch bands perform. Always return to OUR section -no one will be allowed to sit in any other section. **Everyone must be back in the stands at BEFORE Pace performs.**

8:20 – Awards ceremony. Drum Majors and Seniors will leave after Crestview finishes to line up for the Awards. We will leave the hat boxes off the truck until after awards. When we return to the lot, place helmets in boxes, load and head out.
